As a parent, the best way to decrease your anxiety is to BE PREPARED. Here's what you need to know – and do – before your baby's circumcision appointment:

- Check-in 15 minutes before your appointment time.
- You may complete the new patient forms prior to coming in.
- Your son can eat prior to coming in, there are no restrictions.
- Bring in the Temporary Birth Certificate or Original Birth Certificate which states your baby's full name and parent's full name. *(this is mandatory)*
- Bring in your picture ID *(must match the name on the birth record to verify you are the parent)*
- In consideration to all of our newborn babies, we do not allow any other children. *(Please arrange for childcare)*
- Please bring your sons insurance card.
- Bring infant Tylenol and Pain-Free Neosporin.
- Bring a diaper, baby wipes, blanket *(to swaddle)*, pacifier, and bottle.
- Parking is located underground. *(parking entrance is on Delmas Street. Please be prepared to pay up to \$12)*

Finally, remember that your child will be having surgery. Arrange your schedule so you may spend time providing comfort to him throughout the day.
